Become a patron of the museum, and allow your business to have a significant impact on culture in the community, whilst supporting an important cultural venue. If you are looking for a membership that rewards your staff, promotes your business, and benefits the wider community, then this is perfect for you.

Thanks to you and your business, local primary school children who may not have been able to access the museum will visit for morning or afternoon experiences. As well as these key benefits there is a huge amount of additional value for your business here.
